# Lent 2023

Hi, my name is Tempus Fugit and I'll be with you through Lent to help you remember to **MAKE TIME FOR GOD.** It's our theme this year, a call for us to step out of the rat race (I hate rats!) and to keep things simple. The goal of the increased prayer, sacrifice, and generosity is not to end up thinner, richer and more disciplined, but to draw us closer to God. God is always waiting, watching, wanting us, always ready to welcome us back, no matter where you've been, what you've been doing ...

## LENTEN OPPORTUNITIES

Do you want to fast this Lent?

In the words of Pope Francis:

Fast from hurting words and say kind words.

Fast from sadness and be filled with gratitude.

Fast from anger and be filled with patience.

Fast from pessimism and be filled with hope.

Fast from worries and have trust in God.

Fast from complaints and contemplate simplicity.

Fast from pressure and be prayerful.

Fast from bitterness and fill your hearts with joy.

Fast from selfishness and be compassionate.

Fast from grudges and be reconciled.

Fast from words and be silent so you can listen.
